Busy: Reconnecting with an Unhurried God

“Come to me all you who are weary and are carrying heavy burdens and I will give you rest. Take my yoke upon you and learn from me...”

When summer begins to draw to a close, many of us find ourselves becoming more frantic as we fill our calendar with activities, prepare for school to begin, and try to meet deadlines. We brace ourselves for being BUSY. Before we know it, we are squeezing God into our schedules if time permits. *What does it cost to be so busy?*

During the month of August, we will have a worship series entitled **Busy: Reconnecting with an Unhurried God***, which focuses on how to make room for God in this fast-paced world. We will learn to “tune in” to God through

contemplative practices and the importance of sabbath rest. Through Scripture and stories, such as that of Mary and Martha, we will learn to make choices that favor time spent connecting one-on-one with God versus checking things off of the “to-do” list.

Isn't it time you examined your own busy life to see what sacrifices you are unwittingly making in your busyness? Come join us August 5-September 2.

“...for I am gentle and humble in heart, and you will find rest for your souls. For my yoke is easy, and my burden light.”

— Matthew 11: 28-29

* Based on the *Darkwood Brew* series

Outreach Update

WINGS OF CARING

Our missionary, Pilot Jacques Umembudi Akasa, a "bush pilot" who serves in the Wings of Caring mission in the Democratic Republic of Congo, was here with us at CUMC on June 24. In

order to help Jacques deliver medical supplies and care for those in the inner reaches of this country, we are coordinating a fundraiser to purchase a year's worth of fuel. For more information please visit: www.gofundme.com/wingsofcaring

Additionally, Pastor Tracy has been invited by the Bishop to travel to the Democratic Republic of Congo to visit the Wings of Caring operation and experience firsthand the work that is going on in the name of Jesus Christ. She will travel August 29-September 7.
