What Are They Talking About?

Over the last year, you may have heard about several programs involving the church community like "Next Level Innovations (NLI)" or "Living Love" and frankly, may be somewhat confused. Here is a short tutorial on each. If you have any further questions, please don't hesitate to contact the church office and you will be directed to the appropriate person.

LIVING LOVE

In November 2016, the CUMC staff felt God leading us toward a church-wide focus around the theme of "love". They invited leaders in the church to join in discerning the scope and direction of the call. As "Living Love" emerged, the next step was to solicit feedback from the congregation, and your

thoughts were recorded on Easter Sunday 2017. A variety of activities and ministries evolved out of that feedback including: the church-wide reading of Anatomy of Peace; the Lenten "Living Loving-Kindness Challenge;" hands-on mission; several music ensembles studying anthems based on love-themed Scripture; the Social Justice Book Club; and more. Most recently, the Living Love group has met with a consultant from the JustPeace Center to further discern and hone in on God's specific call to be Living Love in new and bold ways.

NEXT LEVEL INNOVATIONS (NLI)

This past year, the District Superintendent chose CUMC and six other churches to participate in a multi-year program aimed at taking thriving churches to the "next level". The first phase of the NLI program has focused largely on the Pastor and most recently included a "Ministry Focus Event" where we considered the alignment of our ministries and mission with

the global UMC. The next phase will be a full self-study of the church and will include an Innovation Weekend where a team will come to the church, interview key leaders and staff, hold training events in evangelism and discipleship, and present a recommendation of several key Next Level Innovations that should take our church to the next level in making disciples for the transformation of the world. Mark your calendars now: January 25–27, 2019.

A WAY FORWARD

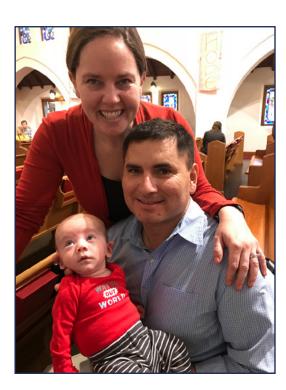

Our Methodist denomination is at a crossroads. The Commission on a Way Forward is nearing the end of its task to completely examine and possible revise every paragraph of the Book of Discipline concerning human sexuality and explore options that help to maintain and strengthen the unity of the church. The Commission has worked on incorporating the UMC theological foundation in proposed models for the future of the UMC. We at Clarendon are looking at ways we can better understand all the implications of the decision that will be made February 2019 at a Special General Conference and how we will respond as a church.

CUMC Easter

April in Review

EASTER SUNDAY, APRIL 1

Clarendon rang in Easter Sunday with a rousing celebration of the Risen Christ at three worship services. Highlights included a liturgical dance performed by the 2nd-5th grade children and choreographed by Mrs. Silvia Bryant, praise band, trumpets, French horn, handbells, and a combined hymn, "Day of Resurrection," with congregation, organ, brass, and handbells to conclude the 11:00 service. The children enjoyed an Easter Egg Hunt on the lawn. Many thanks to Cheryl Williams and Jim Davidson for spearheading the delicious Easter breakfast between services!

ARLINGTON BUNNY HOP, APRIL 14

Our inaugural Arlington Bunny Hop 5K, held on April 14, was a rousing success! The total funding raised (registration fees and gifts) was \$22,000! We had over 600 people registered to run, walk, and/or volunteer. Our original registration goal was 300. Lt. John Feden from the Arlington County Police Department sent John Glover and Denny Edelbrock a short note:

"Congratulations on a very successful and WELL ORGANIZED race! The officers who worked it had nothing but complimentary things to say. I wish all my events went as smoothly! I look forward to working again with you both on Bunny Hop 2.0!"
