Learn More About How You Can Foster a Child

Today we welcome to our coffee hour Jennifer Ariola of the National Youth Advocate Program to talk about her work with the foster care system. Please stop by her table in Corry Hall to learn more.

Library Remodeling

The Leadership Board has approved a plan to remodel the library. The plan is to reduce the book collection to provide space for a meeting table and a quiet corner for young parents and children. The first task is to cull the book collection. If you would like to assist in the culling contact Tom Parker via the office (office@clarendonumc.org).

Summer Women's Bible Study starting June 23

The Monday Night Ladies will be working through "Proverbs 31 in 5 Minutes a Day." In this Bible study, we will examine womanhood and faith in Proverbs 31 through commentary, guided prayers, and more. For 7 weeks, the study provides brief, accessible daily studies that include thoughtful lessons, prayers, writing prompts, exercises, and more. Then we come together weekly to share insights and find concrete steps to act on what we've studied. We meet Monday nights from 7:30 to 8:30 via zoom. Contact Sally Gabler via the office (office@clarendonumc.org) for more info.
