## Peace with Justice Sunday

Jesus calls us to be peacemakers—to love our enemies, seek justice, and work toward reconciliation. But how do we live that out in a world full of conflict?

Peace with Justice Sunday is a time for us to put our faith into action. Through our gifts, we support ministries that advocate for peace, justice, and healing in communities near and far. Last year, United Methodists gave generously to support life-changing programs, and this year, we can do even more. Every contribution helps support programs that make a tangible difference in the lives of others. Together, we can build a world that reflects God's love and justice. Join us in celebrating this impactful Sunday together! You can give through Church Center or the church web page.

## Coffee Hour Volunteers Needed

The CUMC Kitchen Team could use some new members! If you enjoy spending time chatting with old and new friends at the church coffee hour after Sunday services, consider signing up to become part of the team that does this important work. See Allison Percy or e-mail her at [office@clarendonumc.org](mailto:office@clarendonumc.org) for more information.

## Plot Against Hunger Needs You

As many of you have noticed, we have kicked off this year's spring garden. Right now we have peas, radishes, carrots, cucumber, and celery growing to help our neighbors in need. We are a few weeks away from our first harvest, but we welcome support watering the beds in the morning during the week. If you are able, please sign up to help. Every little bit helps our garden to thrive!
