New volunteer opportunity: Serve meals at the PathForward homeless shelter

Clarendon will be supporting our partner PathForward by serving dinner to clients. This will be the 3rd Wednesday of each month, starting June 17 through November 18. This is an easy way to plug into a meaningful activity by "living love" in our community.

Volunteers should arrive at the Center, located at 2020A N. 14th St., Arlington VA 22201 no later than 5:30PM for dinner service that starts promptly at 6PM. Volunteer service includes helping to serve a nutritious dinner prepared by the PathForward staff chef, provide coffee and water service, interacting respectfully with the clients, and helping to clean up the meal service as needed.

We need 2-3 volunteers each time. Please sign up here:
