Air Conditioner News

The AC for our sanctuary and Corry Hall will continue to be out for some time as we consider repair options for what will be a complex and expensive job. We are using fans and natural ventilation to keep the affected areas as cool as possible during worship services and other activities. We are also live-streaming the worship services in the Library (with working AC) if you would like to worship there for any part of the service. **Everyone is encouraged to bring your own reusable water bottles to worship services**, and bottled water will continue to be available at all sanctuary entrances. As we consider short-term measures to mitigate the current discomfort, we are also standing up a team to address the need for longer system reengineering and replacement. **We are requesting that anyone with expertise or experience in HVAC or mechanical/structural engineering consider joining this "HVAC Team."** You can contact Jon White, Leadership Board chair (oceanav20@gmail.com) or Jeanne Worster, property manager (jeanne@clarendonumc.org) if you would like more information.

Leadership Board Sunday July 12th

The regular July Board meeting will be on Sunday, July 12th at 11:30AM in the Praise Room, with the public open session ending at approximately 1:00PM. Board meetings are open for members of the congregation to attend and observe, except for closed portions dealing with staff-parish relations and other sensitive topics. The Board will continue to address the AC issues. As a reminder, the Board has set up a folder in the CUMC Google Drive for interested church members to view general Board information, financial information, meeting minutes, etc. Access to this folder is restricted to CUMC members and approved individually in response to email requests. Members are able to view the contents, not edit or change them. If you would like access to this folder, or if you have any questions, please email the church office (office@clarendonumc.org) and our Board chair, Jon White (oceanav20@gmail.com).
